Re Bulet to Dallas, 2/17/64, enclosing copies of FD-192.

Enclosed are the revised FD-192's which include the location of evidence and also the evidence item number where known, as requested in referenced letter.

There were originally enclosed to the Bureau two separate FD-192's on Dallas file 105-1716 regarding two rolls of film being maintained as evidence. The film was first forwarded to the Bureau by letter dated 1/6/64, and a request was made that photographs be prepared and returned to Dallas. The Bureau returned the film and photographs by letter dated 1/14/64, and when received at Dallas, a second FD-192 was inadvertently prepared. The enclosed forms should replace all those originally submitted.
